

//O meni/**About me**

Student poslednje godine ICT visoke škole. Ambiciozna osoba koja neprestano teži ličnom i profesionalnom napretku. Motivisana da učim i usvajam nova znanja kako bih unapredila svoje veštine.

A final year student at the ICT College Of Vocational Studies, I am an ambitious individual who constantly strives for personal and professional growth. I am motivated to learn and acquire new knowledge in order to enhance my skills.

//Obrazovanje/**Education**

/2020 Visoka škola strukovnih studija za informacione i komunikacione tehnologije ICT

/2016–2020 Sportska gimnazija

/2008–2016 OŠ "Oslobodioci Beograda"

//Iskustvo/**Experience**

Imam iskustvo u izradi projekata na fakultetu koji obuhvataju frontend i backend tehnologije. Moje veštine obuhvataju programiranje u JavaScript-u, Node.js-u, Vue-u, kao i rad sa relacionim bazama podataka i PHP-om.

I have experience in developing projects at university that involve both frontend and backend technologies. My skills include programming in JavaScript, Node.js, Vue, as well as working with relational databases and PHP.
